POKER

POKER

PUSH 'F1' TO BEGIN

Bet up to 9 coins, draw 5 cards. Hold the ones you want to play, discard the rest. Bet again. Deal again-build your stakes. After you win you can draw one card (double or nothing). Your hand and bet determines how much you win (or lose).

Keyboard controls:
B = Bet
C = Hold card
RETURN = Hold card of your choice and proceed to next card
D = Double
